Drama Notebook Freebie If You Had a Superpower

Description

"If You Had a Superpower" is one of the most loved and most frequently sung songs in the CMR song catalog! Students from preschool to 3rd grade LOVE this song and ask for it time and time again. It's a great opportunity for the kids to think beyond the realm of reality and share their wildest dreams of what could be. Frankly, it's one of my favorites too! I thought it would be especially fun for drama teachers to use this as an opening, transitional, or even closing song to one of the many superhero-themed plays offered on Drama Notebook. Enjoy!

LYRICS

If you had a superpower
Then tell me what it would be.
And if you could do magical things,
Then can you share them with me?

Can you fly to the moon and be back for lunch?
Can you see super far and then lift a car?
Can you sail on the wings of a supersonic jet?
And swim in the sea and never get wet?

If you had a superpower
Then tell me what it would be.
And if you could do magical things,
Then can you share them with me?
